On any given day in Florida, 21,000 children are in foster care.

Our Impact Partner Better Together's unique model enables parents who have fallen on hard times to voluntarily place their children with a loving Host Family for up to a year. **The average stay is only 45 days versus 598 in foster care.** And 90% of Better Together families are reunited in 90 days or less.

Becoming a Host Family is only one way you can be involved in Better Together's mission. They also need Family Advocates (Mentors) and Job Coaches, help with events, as well as individuals who are willing to take meals and supplies to Host Families...the list goes on. Want to know more? **Be sure to stop by their table in the Worship Center lobby TODAY and find out more about the amazing work they do and how you can be involved!** You can also sign up for a **Better Together Volunteer Training on Sunday, May 19th from 11:15 a.m. to 1:30 p.m.** in The Connection, Room B9.
