CHRISTMAS GIFT 2024:

Giving to local, domestic, and international projects!

This year, your extravagant generosity will bring the message of God's love to people right here in our community, to refugees served through Envision Atlanta, and to people groups across the globe where our International Workers are bringing the gospel message as they serve the people groups in West Africa! To find out more about these 3 projects and how your Christmas gift will be used, visit the **GIVE** page of our website!

Domestic Gift Spotlight:

Envision Acres Farm: Project Goal: \$26,675, MC Goal: \$15,000

Since opening in 2020, Envision Acres Farm has never produced as much food or employed as many refugees as it could—but that can change now through your giving. By providing essential farming equipment and supplies, you will maximize the gospel impact of this vital ministry serving neglected and hurting people. Through this project, you will supply fresh food, new job opportunities, and most importantly, a gospel lifeline to refugees living near Atlanta, Georgia.
